

Reference letter for Andrew Murgatroyd

It is a pleasure to write a reference letter for Andrew. Andrew is a pleasant, talented, reliable, and hardworking young man. He successfully carries these traits into the classroom. His student centered lessons provided his students with interesting and effective learning activities. He integrated music into his classroom. Singing was a successful strategy he used to develop vocabulary, grammar, and pronunciation in our schools ESL environment. Andrew was always prepared and his classroom was characterized by hard working, on task students. Andrew has the very desirable ability to make his classes fun and full of learning activities. Students loved being in his class.

While teaching with Sino Bright School, Andrew taught Drama 10, Planning 10, ESL 10 and Math 10. Math 10 has a compulsory provincial exam and all twenty six students in Andrews' class passed. His Math 10 class average was 78%.

Andrew took part in all the schools curricular and extra curricular activities. He acquired, developed and shared learning resources for our school. He enthusiastically participated in professional days, field trips, staff meetings, parents' nights, and worked with our school's student singers and musicians.

Andrew is a very talented and accomplished singer/entertainer. He performed at school concerts, karaoke nights, local clubs. He provided the music, Santa hats and song booklet for our staff Christmas party. He even appeared in a China wide New Years TV special.

Andrew will be a valuable asset to any school he is associated with.

Sincerely,
Bob Albiston
Principal
